First Team Manager

Arron Parkinson

A very warm welcome to everyone joining us for our first home league game of the season.

This is my first season back as First Team Manager of Woodford United, and I'm looking forward to the challenge ahead alongside my assistants Joe Haynes and Tom Lorraine. All three of us are from the village, so being involved with our local club means a great deal to us.

There is a real sense of excitement around the club, and we're pleased to be leading the team into what we hope will be a positive and enjoyable season.

We started the season with a strong 3-0 away win at Royston, with two goals from Jay Lawes and one from Jai Newell-Hollely. It was an excellent team performance, with all 15 players who travelled contributing to a well-earned three points. The attitude, work rate and togetherness shown was outstanding.

Following our move from the Hellenic League, we now face a new league and different challenges. We know it will be competitive, and our aim is to establish ourselves, compete in every game and give ourselves the best chance of a successful season.

Pre-season has been productive, and while there is always room for improvement, the players have shown great attitude, commitment and a willingness to work for each other. Supporters can expect a hard-working, committed group who enjoy playing for the club and give everything for the shirt.

Today we welcome Stotfold. It will be another tough test, but we'll be looking to build on last week's result, continue our momentum and push for another three points.

Finally, thank you to everyone who has supported the club, the players and the management team. Football at this level relies heavily on volunteers, committee members and supporters, and it is greatly appreciated.

Hopefully we can enjoy a successful season together, both on and off the pitch.

Thank you for your continued support, and enjoy the game.

Enjoy the game today!

OUR HISTORY

The club was established in 1946. After playing in the Rugby & District League, they joined the Central Northants Combination in 1964. They were Premier Division champions in 1966 and retained the league title the following season. They were then Premier Division runners-up for the next two seasons, and after finishing third in 1969–70, they moved up to Division 3 of the United Counties League. This was renamed Division 2 a couple of years later and in 1974, Woodford United were promoted to Division 1. Despite finishing 4th in their first season, they finished bottom the following year and were relegated. Two more seasons were spent struggling in Division 2 before they left the league. The loss of their ground forced them to drop down to the Central Northamptonshire Combination. They were relegated from the Premier Division in 1981, only returning as runners-up in Division 1 in 1987. Woodford United won the Premier Division in 1992 and were runners-up three times before winning the title again in 1998.

By now, they had the facilities to return to the United Counties League. They played in Division 1 for four seasons before they were promoted to the Premier Division in 2002 after a 3rd-place finish.
Another four seasons were spent in the Premier Division before they were champions in 2006, winning promotion to the Southern League Division 1 Midlands. Six seasons were spent at step 4 with credible 7th and 9th place finishes in 2009 & 2010. However, a torrid 2012/13 season saw them lose all 42 games and this resulted in them taking a voluntary two-step relegation to the United Counties Division 1. This didn't prevent them from losing all but one game, a 2-1 win at Blackstones.

OUR HISTORY

Heavy defeats were the order of the day, including a 16-0 thumping at Wellingborough Whitworth. Over those two seasons, they conceded 408 goals in 84 games. Despite stabilising over the next two seasons, they took the step down to the Northants Combination in 2017.

Woodford United's best-ever FA Cup run came in 2005. They beat Southend Manor, Wisbech Town, Harwich & Parkeston and Redditch United before going out to Leamington in the 3rd Qualifying Round. The FA Trophy 2nd Qualifying Round was reached in 2007. During the 2004/05 season, they had their best FA Vase run. They beat Norwich United, Yaxley, Stansted and Eton Manor before losing to Brislington in the 3rd Round. Local competitions won include the Northamptonshire Combination League Cup in 1966.

A new committee took over running of the club in 2017 with Michael Bailey as Chairman. LED Floodlights were installed in 2025. Junior football returned to the club with 12 Mixed and Female teams in 2026. The club also has 2 Adult football teams playing in the Northants Combination.

Woodford United returned to Step 6 football in the 2025/26 season, playing in the Hellenic League Division One. The team finished 15th under the management of Richard Kay. Kay stepped down at the end of the season and was replaced by the former Daventry Town and Newport Pagnell Town Manager and former club centre half, Arron Parkinson. He will be assisted by former players Tom Lorraine and Joe Haynes plus Jason Burnham. The club will play the 2026/27 season in the Spartan South Midlands Football League Division One.

OUR VISITOR'S CLUB HISTORY

Stotfold is a small country town with a population in the region of 9,000. It is situated in the county of Bedfordshire but being near the North Herts border. The first recorded football in the town was 1904, however it is certain that the game was played for a number of years before that. In those early 1900s, Stotfold sides played in the Biggleswade and District League. This was followed by a spell of nearly 30 years in North Herts Football. The first record of a trophy being won was 1911 when Potton were beaten 1-0 in the Biggleswade and District Championship. Stotfold FC was officially founded after WW2 in 1946. In 1951 we joined the South Midlands League Division 2 and in 1953 were promoted to Division 1. Up until 1965 our home ground was located at Hitchin Road Recreation Ground and the club then purchased and developed a meadow named Roker and the ground was aptly named Roker Park which we occupied for 54 years. The club remained in the South Midlands League for over 30 years winning promotion to the Premier League in 1955 and winning the championship in 1980. Phil Pateman took over from Ian Allinson stepping up after managing the reserves to League champions and Beds Intermediate success. During 1998-2001 under his charge the club won The Beds Senior and Premier Cups, UCL League Cup, and the Hinchingbrooke Cup. The club also reached the last 32 of the FA Vase and the 3rd Qualifying Rd of the FA Cup. Phil stepped down to become Chairman in 2001. The early 2000s saw challenging times for Stotfold Club after gaining just 11 points from 17 league games and some heavy defeats in season 2006/7. A partnership of Ian Allison and Ian Donnelly took over and with the club staring relegation in the face, Ian recruited several senior players, and the club hauled themselves out of the bottom two, winning 8 of the last 10 games. During the summer of 2007, the squad strengthened further, culminating in the most successful season in the club's history. Both first and second team squads won their respective league and county cup competitions, (the first club and to date only one to do so), with the second team under John Philbin remaining unbeaten in the league. The 2010s saw the club move back from the United Counties League to the Spartan South Midlands League in 2010/11. In season 2012/13 Gordon Bickerstaff stood down and Steve Young was appointed as Manager supported by Roy Ryall. After another poor start the first team secured a respectable mid-table position. Steve promoted from within the club, Michael Parkin and Matt Endersby stepping up. The first team turned their season around from being 3rd from bottom of the SSML Premier Division with just 18 points at Xmas, to three cup finals and a semi final place in another. They also moved away from the foot of the table with a further 29 points in the second half of the season. The mid-2010s presented a challenge and following Steve's resignation in January 2015, Rob Bates stepped up and he managed to mould a team to stave off relegation from the Premier League and finish a creditable 16th. Revised plans were drawn up when an offer to build 60 properties on Roker Park was accepted in return for a stadium being built for us. 19 The club completely restructured with a merger of Senior & Junior clubs with an ongoing program of inclusive football for a Charter Standard Club comprising of more than 60 teams and 700 participants. So, to the 2020s success off the field being as important as on it. In this regard we were delighted that our former

OUR VISITOR'S CLUB HISTORY

player Luke Gregson agreed to be our manager after a wonderful spell at Baldock. He bought with him Jim Sterling and rebuilt the side. After a slow start the Eagles went on a fantastic run of form winning 14 consecutive league games and seemingly nailed on for promotion before Covid-19 null and voided the season. However not before we won the Beds Senior Trophy beating Stevington 2-0 in the final. Despite, the disappointment 2020 marked a landmark for the club when we moved to our New Roker Park JSJ Stadium. The £2M Step 4 facility opened its doors on Feb 8th with a home game against Shefford & Campton, and a crowd of 644 witnessed a super game with the Eagles winning 5-3. After 20 years as club chairman Phil Pateman stepped down at the end of season 2020/21 with his vice-chairman of some 4 years Rob Parkin agreeing to take on the role of chairman. We started the new 2021/22 season full of optimism having been re-structured off the field and in the re-structured Division 1 under former players Brett and Paul Donnelly. Joining Brett's management team is UEFA B licence and FA Coach mentor Eddie McLoughlin. The management team are completed by Michael Parkin (Goalkeeping coach), Ryan Jefferies (Physio) and Roy Ryall with Jon Little, Sean Lyness and Darren Clarke looking after the Development/U18 sides. The season saw unprecedented success with the first team winning Division 1 and promotion back to the South Midlands Premier Division, the Development team winning Division 1 of the Beds County Football League and promotion to Premier Division and the U18s winning the Nemean Division of the Southern Counties Southern Floodlit League. We started season 2022/23 with the same management teams for the first and development teams and the club had their first ever Women's team under the management of Tom Olney and Becca Lightfoot playing in the Beds and Herts Woman's Football League. A new management team of Stuart Lopez and Scott Cretton took over the U18 team. Unbelievably the first team secured back-to-back promotions finishing runners up in the SSMFL Premier Division and winning the play off at Dereham Town 2-0. The women's team secured promotion to the Premier Division of their league in their first season. Season 2023/24 saw the 1 team play at step 4 in the Southern League Central Division 1 for the first time in the club's history. In a tough league we were delighted to finish a very creditable 7th. The Development team finished runners-up in the Beds County Football League, gaining promotion to Spartan South Midlands Division 1 a great achievement for a club to have teams at step 4 and step 6. The Women's team finished third in their first season in the Premier Division and the U18s finished third in the Delphian Division. Sadly, we saw Brett and Eddie move on to take over management roles at Hitchin Town towards the end of the season. We thank them for all the success they brought to the club.

About Main Line Timber

Here at Main Line Timber Ltd, we specialise in the supply of Fencing Panels, Standard and Bespoke Gates, Decking, Concrete Products, Sleepers, and Garden Trellis and Arches.

Main Line Timber Ltd was founded in 1991, by Edward Gascoigne at Old Station Yard, Woodford Halse, Northamptonshire. Edward started out with one log cutter and would travel all over delivering logs before diversifying and expanding into timber products.

As word spread of the great quality products and exceptional service, naturally the company grew. This led to the opening of another branch in 2011 at the Old Garage, Marton, Warwickshire. This was followed by the most recent opening of our third depot in 2025, at Park Farm, Warwick, Warwickshire.

We also pride ourselves on the high quality timber and garden products, that we supply at competitive prices. Due to the right pricing and quality of products, we have been able to evolve the business over the years, so that both the product range and services have considerably increased.

All products can be delivered to your home, with excellent levels of customer service by our dedicated team. Our reputation has been established through our family run business, where each person is regarded as more than just a customer.

Today, the next generation are coming through, with Edward's children, Rachel and Emily supporting the business in both sales, accounts and marketing respectively.

We supply to many areas including Banbury, Rugby, Northampton, Coventry, Daventry, Milton Keynes, Stratford-Upon-Avon, Warwick and surrounding areas.

At our Woodford branch, we manufacture all gates, both standard stock and bespoke sizing. The quality of the raw materials and workmanship that go into making all of our gates have gained a brilliant reputation within the local area and beyond.
