PARKY'S VIEW

First Team Manager

Arron Parkinson

Firstly, I would like to welcome everyone involved with Tring Corinthians for this afternoon's League Cup match. I wish everyone travelling to and from the ground a safe journey

This cup game has probably come at the right time for us, following three disappointing league defeats on the bounce. We currently have just one fit centre-half, having lost both Jimmy Hunt and Jordan Molloy to injuries on Tuesday night, with both potentially facing four weeks or more on the sidelines.

Squad depth is currently down to the bare bones, especially following the departures of Harry Stowe, Mason Muckleburg and Alfie Taylor. I would like to thank all three for their efforts during their time with us and wish them nothing but the best for the future.

At the moment, we really need to stick together as a group and hopefully this afternoon can be the start of a change in fortunes.

The second-half performance against Ampthill was encouraging. On another day, we could have come away with a point, but unfortunately we left ourselves with too much to do. Then, on Tuesday night at Burton Park, I felt we dominated the game from start to finish but just couldn't find the back of the net. And, as is often the case in football, if you don't take your chances, you leave yourself open to a breakaway goal — which is exactly what happened in stoppage time

We certainly didn't deserve that, but football has a habit of kicking you when you're down.

The Eaton Socon game was, by far, our worst performance of the season. On the day, I take full responsibility for that lacklustre showing, and myself, Joe and Tom will do everything we can to make sure a performance like that doesn't happen again.

Enjoy the game this afternoon, and please get behind the boys. I genuinely feel they need your support more than ever at the minute.

Thanks,
Parky

OUR HISTORY

The club was established in 1946. After playing in the Rugby & District League, they joined the Central Northants Combination in 1964. They were Premier Division champions in 1966 and retained the league title the following season. They were then Premier Division runners-up for the next two seasons, and after finishing third in 1969–70, they moved up to Division 3 of the United Counties League. This was renamed Division 2 a couple of years later and in 1974, Woodford United were promoted to Division 1. Despite finishing 4th in their first season, they finished bottom the following year and were relegated. Two more seasons were spent struggling in Division 2 before they left the league. The loss of their ground forced them to drop down to the Central Northamptonshire Combination. They were relegated from the Premier Division in 1981, only returning as runners-up in Division 1 in 1987. Woodford United won the Premier Division in 1992 and were runners-up three times before winning the title again in 1998.

By now, they had the facilities to return to the United Counties League. They played in Division 1 for four seasons before they were promoted to the Premier Division in 2002 after a 3rd-place finish.
Another four seasons were spent in the Premier Division before they were champions in 2006, winning promotion to the Southern League Division 1 Midlands. Six seasons were spent at step 4 with credible 7th and 9th place finishes in 2009 & 2010. However, a torrid 2012/13 season saw them lose all 42 games and this resulted in them taking a voluntary two-step relegation to the United Counties Division 1. This didn't prevent them from losing all but one game, a 2-1 win at Blackstones.

OUR HISTORY

Heavy defeats were the order of the day, including a 16-0 thumping at Wellingborough Whitworth. Over those two seasons, they conceded 408 goals in 84 games. Despite stabilising over the next two seasons, they took the step down to the Northants Combination in 2017.

Woodford United's best-ever FA Cup run came in 2005. They beat Southend Manor, Wisbech Town, Harwich & Parkeston and Redditch United before going out to Leamington in the 3rd Qualifying Round. The FA Trophy 2nd Qualifying Round was reached in 2007. During the 2004/05 season, they had their best FA Vase run. They beat Norwich United, Yaxley, Stansted and Eton Manor before losing to Brislington in the 3rd Round. Local competitions won include the Northamptonshire Combination League Cup in 1966.

A new committee took over running of the club in 2017 with Michael Bailey as Chairman. LED Floodlights were installed in 2025. Junior football returned to the club with 12 Mixed and Female teams in 2026. The club also has 2 Adult football teams playing in the Northants Combination.

Woodford United returned to Step 6 football in the 2025/26 season, playing in the Hellenic League Division One. The team finished 15th under the management of Richard Kay. Kay stepped down at the end of the season and was replaced by the former Daventry Town and Newport Pagnell Town Manager and former club centre half, Arron Parkinson. He will be assisted by former players Tom Lorraine and Joe Haynes plus Jason Burnham. The club will play the 2026/27 season in the Spartan South Midlands Football League Division One.

OUR VISITOR'S CLUB HISTORY

Tring Corinthians FC was formed in 1956 by Mr Fred Evans who worked at the local bus station and Mr Tug Wilson, Headmaster of Osmington boarding school. Mr Wilson was heavily involved with Chesham United and was the first President of the club. The reason for forming the club was to provide football for local players unable to get a game with Tring Town Football Club. Most of the original players came from Tring Town.

The club approached the Aylesbury & District League & were accepted with the 1st season being played in Division Two.

Tring Corinthians first ground was situated in Beaconsfield Road, Tring, which became a housing estate in later years. The conditions were pretty basic, the changing rooms were an old railway carriage with no electricity or running water. Water was fetched from the end bungalow in Beaconsfield Road.

At first Fred Evans picked the team, but in 1958 the Corries expanded to first and reserve teams so a Selection Committee was formed to pick the teams. The Selection Committee met on Monday evenings during the season at the Kings Arms public house. Players would wait in the bar to see the teams posted on the notice board. Those not in attendance were notified bu post.

OUR VISITOR'S CLUB HISTORY

The Kings Arms had a clubroom where A.G.Ms were held. When the pub changed hands the club held its meetings at the George Hotel in the High Street. When the Hotel closed down the club moved to the Royal British Legion until it purchased its own ground.

In the late sixties the club moved to Mortimer Hill School using the pitch adjacent to the allotments & used the school changing rooms. Corinthians moved for a third time in 1975 to the council pitch at Pound Meadow until 1984 when they moved to their current home in Icknield Way.

In January 1981 a tender for the purchase of the ground in Icknield Way was accepted by local estate agents Brown & Merry. This was arable farmland with a small grain store in one corner of the field. The grain store was eventually converted into the current clubhouse with part of the funds for the conversion coming from Dacorum Borough Council. A lot of hard work & fund raising by the clubs committee and members was put into the new ground & clubhouse until the teams were able to play there from late summer 1984. During the late 1990s the club suffered a series of break-ins which at one point nearly forced the club to close. Thanks to a few loyal members the club kept going and in 2000 expanded to 4 teams entering a youth league for the first time.

About Main Line Timber

Here at Main Line Timber Ltd, we specialise in the supply of Fencing Panels, Standard and Bespoke Gates, Decking, Concrete Products, Sleepers, and Garden Trellis and Arches.

Main Line Timber Ltd was founded in 1991, by Edward Gascoigne at Old Station Yard, Woodford Halse, Northamptonshire. Edward started out with one log cutter and would travel all over delivering logs before diversifying and expanding into timber products.

As word spread of the great quality products and exceptional service, naturally the company grew. This led to the opening of another branch in 2011 at the Old Garage, Marton, Warwickshire. This was followed by the most recent opening of our third depot in 2025, at Park Farm, Warwick, Warwickshire.

We also pride ourselves on the high quality timber and garden products, that we supply at competitive prices. Due to the right pricing and quality of products, we have been able to evolve the business over the years, so that both the product range and services have considerably increased.

All products can be delivered to your home, with excellent levels of customer service by our dedicated team. Our reputation has been established through our family run business, where each person is regarded as more than just a customer.

Today, the next generation are coming through, with Edward's children, Rachel and Emily supporting the business in both sales, accounts and marketing respectively.

We supply to many areas including Banbury, Rugby, Northampton, Coventry, Daventry, Milton Keynes, Stratford-Upon-Avon, Warwick and surrounding areas.

At our Woodford branch, we manufacture all gates, both standard stock and bespoke sizing. The quality of the raw materials and workmanship that go into making all of our gates have gained a brilliant reputation within the local area and beyond.
