PARKY'S VIEW

First Team Manager

Arron Parkinson

Good afternoon, and firstly, I would like to welcome YDP for today's Northants Junior Cup game.

We were initially due to play at their ground, but due to issues at their end, thankfully we have been able to welcome them to Byfield Road instead. I would like to wish all the players, staff, supporters and committee members a safe journey to and from the game.

The last time we played at home, we came away with a comfortable 3-1 victory over Tring Corinthians in the League Cup. We played well in patches and created enough opportunities to possibly win two or three games, but unfortunately we were wasteful in front of goal. The goals eventually came from Jay Lawes, Freddie Milner and George Price, which has set up a home tie against Cockfosters in the next round.

On Tuesday, we travelled to Irchester and, once again, missed opportunities ultimately cost us dearly. We had a numerical advantage for the majority of the game after one of their players was sent off for spitting at Smudge. We controlled large parts of the game but, after missing a penalty, we failed to capitalise and perhaps didn't ask enough questions of their defence on the evening.

Whereas we failed to take our chances, Irchester managed to score from one of the two opportunities they created. We still had four or five good chances to get back into the game, but unfortunately we couldn't find a way through.

The lads were understandably very disappointed after the game, but it's extremely important that we stick together. We are losing games by the odd goal and, in many of them, it could so easily have gone the other way. I'm sure we will turn the corner soon, start putting some positive results on the board and climb the table.

We have also added two new players to the squad, and hopefully both Rico Alexander and Finn Amidi can make a real impact over the coming months. It was also great to see Joe Merrill make his league debut for us. Once his work commitments settle down, Joe will be a very important player for us moving forward.

So, please get behind the boys again today and hopefully we can get through to the next round of this competition. This is a cup we can go deep into, but we have to approach every game in the right manner and give it the respect it deserves.

Thanks,
Parky

OUR HISTORY

The club was established in 1946. After playing in the Rugby & District League, they joined the Central Northants Combination in 1964. They were Premier Division champions in 1966 and retained the league title the following season. They were then Premier Division runners-up for the next two seasons, and after finishing third in 1969–70, they moved up to Division 3 of the United Counties League. This was renamed Division 2 a couple of years later and in 1974, Woodford United were promoted to Division 1. Despite finishing 4th in their first season, they finished bottom the following year and were relegated. Two more seasons were spent struggling in Division 2 before they left the league. The loss of their ground forced them to drop down to the Central Northamptonshire Combination. They were relegated from the Premier Division in 1981, only returning as runners-up in Division 1 in 1987. Woodford United won the Premier Division in 1992 and were runners-up three times before winning the title again in 1998.

By now, they had the facilities to return to the United Counties League. They played in Division 1 for four seasons before they were promoted to the Premier Division in 2002 after a 3rd-place finish.
Another four seasons were spent in the Premier Division before they were champions in 2006, winning promotion to the Southern League Division 1 Midlands. Six seasons were spent at step 4 with credible 7th and 9th place finishes in 2009 & 2010. However, a torrid 2012/13 season saw them lose all 42 games and this resulted in them taking a voluntary two-step relegation to the United Counties Division 1. This didn't prevent them from losing all but one game, a 2-1 win at Blackstones.

OUR HISTORY

Heavy defeats were the order of the day, including a 16-0 thumping at Wellingborough Whitworth. Over those two seasons, they conceded 408 goals in 84 games. Despite stabilising over the next two seasons, they took the step down to the Northants Combination in 2017.

Woodford United's best-ever FA Cup run came in 2005. They beat Southend Manor, Wisbech Town, Harwich & Parkeston and Redditch United before going out to Leamington in the 3rd Qualifying Round. The FA Trophy 2nd Qualifying Round was reached in 2007. During the 2004/05 season, they had their best FA Vase run. They beat Norwich United, Yaxley, Stansted and Eton Manor before losing to Brislington in the 3rd Round. Local competitions won include the Northamptonshire Combination League Cup in 1966.

A new committee took over running of the club in 2017 with Michael Bailey as Chairman. LED Floodlights were installed in 2025. Junior football returned to the club with 12 Mixed and Female teams in 2026. The club also has 2 Adult football teams playing in the Northants Combination.

Woodford United returned to Step 6 football in the 2025/26 season, playing in the Hellenic League Division One. The team finished 15th under the management of Richard Kay. Kay stepped down at the end of the season and was replaced by the former Daventry Town and Newport Pagnell Town Manager and former club centre half, Arron Parkinson. He will be assisted by former players Tom Lorraine and Joe Haynes plus Jason Burnham. The club will play the 2026/27 season in the Spartan South Midlands Football League Division One.

OUR VISITOR'S CLUB HISTORY

Coaching is our passion, but when wearing YDP Blue, we aim to do so much more than just coach. We want to inspire, motivate and enthuse the young people we meet through fun sessions that leave a lasting impression.

The YDP Football Academy boasts teams for players as young as U7 and up to U13. At such a young age, it is important to lay a solid foundation for these players to grow and develop their skills. The Academy's coaching staff understands this and is dedicated to providing a positive and nurturing environment for these young players to learn and thrive in. Through age-appropriate training and a focus on individual player development, the Academy aims to produce well-rounded players who not only excel on the field but also have a strong sense of sportsmanship and teamwork. The future looks bright for these rising stars at the YDP Football Academy.

2026/27 PLAYER PROFILE

KYLE LINFORD

Position: MIDFIELDER

"After a solid pre-season, I'm looking forward to the season ahead. The team has come together nicely and everyone has bought into what the manager wants us to do on the pitch. We've made a steady start, but we've got another couple of gears in us. We want to be competing at the top end of the league and with the squad we have, challenging for the play-offs is well within our grasp.

Personally, after back to back disrupted seasons through ACL injuries, it's great to be back fit and playing regularly again. The gaffer has pushed me into midfield this season, which is where I feel my strengths lie in helping the team best. Contributing more goals and assists, helping the team both on and off the pitch and hopefully finishing the season with some silverware are targets I have moving forward.

Player sponsorship available from just £75!! Your company name, website and social media presence will be mentioned in the match day programme. To enquire about sponsoring a player for the 2026/27 season, please contact Brian Porter on 07903 859107."

About Main Line Timber

Here at Main Line Timber Ltd, we specialise in the supply of Fencing Panels, Standard and Bespoke Gates, Decking, Concrete Products, Sleepers, and Garden Trellis and Arches.

Main Line Timber Ltd was founded in 1991, by Edward Gascoigne at Old Station Yard, Woodford Halse, Northamptonshire. Edward started out with one log cutter and would travel all over delivering logs before diversifying and expanding into timber products.

As word spread of the great quality products and exceptional service, naturally the company grew. This led to the opening of another branch in 2011 at the Old Garage, Marton, Warwickshire. This was followed by the most recent opening of our third depot in 2025, at Park Farm, Warwick, Warwickshire.

We also pride ourselves on the high quality timber and garden products, that we supply at competitive prices. Due to the right pricing and quality of products, we have been able to evolve the business over the years, so that both the product range and services have considerably increased.

All products can be delivered to your home, with excellent levels of customer service by our dedicated team. Our reputation has been established through our family run business, where each person is regarded as more than just a customer.

Today, the next generation are coming through, with Edward's children, Rachel and Emily supporting the business in both sales, accounts and marketing respectively.

We supply to many areas including Banbury, Rugby, Northampton, Coventry, Daventry, Milton Keynes, Stratford-Upon-Avon, Warwick and surrounding areas.

At our Woodford branch, we manufacture all gates, both standard stock and bespoke sizing. The quality of the raw materials and workmanship that go into making all of our gates have gained a brilliant reputation within the local area and beyond.
