PARKY'S VIEW

First Team Manager

Arron Parkinson

I would like to welcome Rothwell Corinthians to Byfield Road today and hope we are in for another enjoyable and entertaining afternoon of football.

Last week's performance against Royston was emphatic in the end, as we once again showed our clinical edge in both boxes.

The opening 20 minutes proved difficult as we initially struggled to get to grips with the system they were playing. However, once we adapted to the challenge and took the lead, there was no looking back.

To score six goals for the second time in three home games was extremely pleasing, but equally important was the fact that we secured our third consecutive home league clean sheet. That's something the whole team should take great pride in.

The goals came from centre-half Joel Halsall, who grabbed a brace, alongside strikes from Ally Forinton and George Price, who has been superb since moving back into the full-back position.

We also gave 16-year-old Matty Monet his senior debut, and what a way to announce yourself! Matty produced two superbly taken goals and was excellent throughout his time on the pitch, both with and without the ball. His performance and goals were the perfect icing on the cake of an already fantastic afternoon.

Today's squad sees the addition of two new faces as we look to strengthen our options during what has been a difficult period with injuries and players moving on. Rico Alexander is a big, strong centre-half who I have previously managed at Daventry Town, while Sam Bodycote is a creative, forward-thinking midfield player. I'm delighted to have both on board and look forward to seeing them make valuable contributions over the remainder of the season.

Unfortunately, our injury situation doesn't seem to be improving just yet. Jimmy and Mali remain long-term absentees, while Jai Hollely broke his hand in training last week and will now face a spell on the sidelines. Stan is currently away with the F1, and with Zac dropping into the development side and Nat moving to Harpole, we were really stretched for numbers last weekend.

Freddie Milner is expected to be out for another few weeks, but there is some positive news with both Tyler Reece and Finn available again after missing last week's game.

On a much more positive note, goalkeeper Lewis has been given the all-clear to begin light training again after missing the entire season so far through illness. We wish Lewis all the very best with his recovery and look forward to seeing him back with the squad when the time is right.

Finally, enjoy the game this afternoon and, as always, please get right behind the boys. Your support makes a huge difference, and we'll be looking to build on our recent good form and continue this little run we're currently enjoying.

Thanks,

Parky

OUR HISTORY

The club was established in 1946. After playing in the Rugby & District League, they joined the Central Northants Combination in 1964. They were Premier Division champions in 1966 and retained the league title the following season. They were then Premier Division runners-up for the next two seasons, and after finishing third in 1969–70, they moved up to Division 3 of the United Counties League. This was renamed Division 2 a couple of years later and in 1974, Woodford United were promoted to Division 1. Despite finishing 4th in their first season, they finished bottom the following year and were relegated. Two more seasons were spent struggling in Division 2 before they left the league. The loss of their ground forced them to drop down to the Central Northamptonshire Combination. They were relegated from the Premier Division in 1981, only returning as runners-up in Division 1 in 1987. Woodford United won the Premier Division in 1992 and were runners-up three times before winning the title again in 1998.

By now, they had the facilities to return to the United Counties League. They played in Division 1 for four seasons before they were promoted to the Premier Division in 2002 after a 3rd-place finish.

Another four seasons were spent in the Premier Division before they were champions in 2006, winning promotion to the Southern League Division 1 Midlands. Six seasons were spent at step 4 with credible 7th and 9th place finishes in 2009 & 2010. However, a torrid 2012/13 season saw them lose all 42 games and this resulted in them taking a voluntary two-step relegation to the United Counties Division 1. This didn't prevent them from losing all but one game, a 2-1 win at Blackstones.

Heavy defeats were the order of the day, including a 16-0 thumping at Wellingborough Whitworth. Over those two seasons, they conceded 408 goals in 84 games. Despite stabilis-ing over the next two seasons, they took the step down to the Northants Combination in 2017.

Woodford United's best-ever FA Cup run came in 2005. They beat Southend Manor, Wisbech Town, Harwich & Parkeston and Redditch United before going out to Leamington in the 3rd Qualifying Round. The FA Trophy 2nd Qualifying Round was reached in 2007. During the 2004/05 season, they had their best FA Vase run. They beat Norwich United, Yaxley, Stansted and Eton Manor before losing to Brislington in the 3rd Round. Local competitions won include the Northamptonshire Combination League Cup in 1966.

A new committee took over running of the club in 2017 with Michael Bailey as Chairman. LED Floodlights were installed in 2025. Junior football returned to the club with 12 Mixed and Female teams in 2026. The club also has 2 Adult football teams playing in the Northants Combination.

Woodford United returned to Step 6 football in the 2025/26 season, playing in the Hellenic League Division One. The team finished 15th under the management of Richard Kay. Kay stepped down at the end of the season and was replaced by the former Daventry Town and Newport Pagnell Town Man-ager and former club centre half, Arron Parkinson. He will be assisted by former players Tom Lorraine and Joe Haynes plus Jason Burnham. The club will play the 2026/27 season in the Spartan South Midlands Football League Division One.

OUR VISITOR'S CLUB HISTORY

RTFC was originally founded in 1875 but it's not until 1896 that we find references to a Reserve Team which seems to be playing friendlies against Cambridge based sides. During the early years of the 20th century this pattern continued before we find the team playing in the Cambs League before switching to the Buntingford and District League where they were crowned League champions twice in three seasons [1921/22 and 1923/24]

Throughout the 1930's they had switched back to the Cambs League and immediately after the end of WW2 won the Cambs Junior Cup 1946/47 beating Swavesey 2-1 in the final. The Club then moved into the Herts County League, then to the South Midlands League in 1959/60 before completing a full circle by returning to the Herts County league where both the first and reserve teams enjoyed successful championship winning campaigns. But it didn't stop there, and in 1977/78 both teams were back in the South Midlands League where the Reserves won successive League titles in 1978/79 and 1979/80.

The period 1984-1994 saw the club competing in the Isthmian League which for the first team proved a very challenging period but in contrast the Reserve under the management of John Halliwell picked up two pieces of silverware by winning the Herts Intermediate Cup and the T.V. Sports Cup with a squad of very talented young Royston based players.

The next 18 seasons saw the Club competing in the South Midlands League with the low point being in 2006/07 with relegation from the Premier League to Division 1 at Step 6 in the non-league pyramid. The appointment of Paul Attfield as Club manager at the start of 2007/08 season proved highly significant. Paul had previously worked for the Club as Youth/Reserve Team manager and had continued to put his faith in young players which proved to be the bedrock of his success in taking the Club to win promotion to Step 4 football in the Southern Central League. It was during this period that Kevin Wilson led the Reserves to a South Midlands double, winning the League Championship and the Reserve Challenge Cup followed later by the South Midlands Floodlit Reserve Cup in 2009/10.

For the season 2012-13 the Reserves were elected to the Suburban League North and by winning their last three games they managed to snatch the League Title by one point from Ashford Town. The following season they won the title again in even more dramatic style overtaking Tring Athletic on the last day of the season by a goal difference of 3!

Having secured promotion the team played for the next six seasons in the Suburban Premier League under the management of Aidrian Cambridge until the challenges of travelling to most of our away games south of the Thames began to inhibit the recruitment and retention of players. A return to the Herts County Premier League proved to be a much more workable option with Lewis Endacott at the helm. In the season

2021/22 the Reserves were the last club to win the Aubrey Cup, considered by many to be one of most prestigious trophies in the Hertfordshire football.

In the following season Dan Evans took on the task of developing a more integrated approach between our under 18's and the Reserves by forming the Under 23's who went on to finish 4th and accepted the invitation to play at Step 6 by joining the South Midlands Division One League.

After a successful first season in 23/24 where we finished a respectable 10th position as well as being the team of the month in December '23 we had to deal with the loss of our team manager and several players at the start of season 24/25. We recovered well after an understandably difficult start to finish in a commendable 14th place in the table.

Last season we moved into our third season with a new management team after the previous season's manager, Franco Nacca, became a Coach with our First Team. Roy Smith took over the manager's rols with assistants Simon Tapsell & Chris Geldart, ultimately our very young team finished a creditable 17th position in the league table.

About Main Line Timber

Here at Main Line Timber Ltd, we specialise in the supply of Fencing Panels, Standard and Bespoke Gates, Decking, Concrete Products, Sleepers, and Garden Trellis and Arches.

Main Line Timber Ltd was founded in 1991, by Edward Gascoigne at Old Station Yard, Woodford Halse, Northamptonshire. Edward started out with one log cutter and would travel all over delivering logs before diversifying and expanding into timber products.

As word spread of the great quality products and exceptional service, naturally the company grew. This led to the opening of another branch in 2011 at the Old Garage, Marton, Warwickshire. This was followed by the most recent opening of our third depot in 2025, at Park Farm, Warwick, Warwickshire.

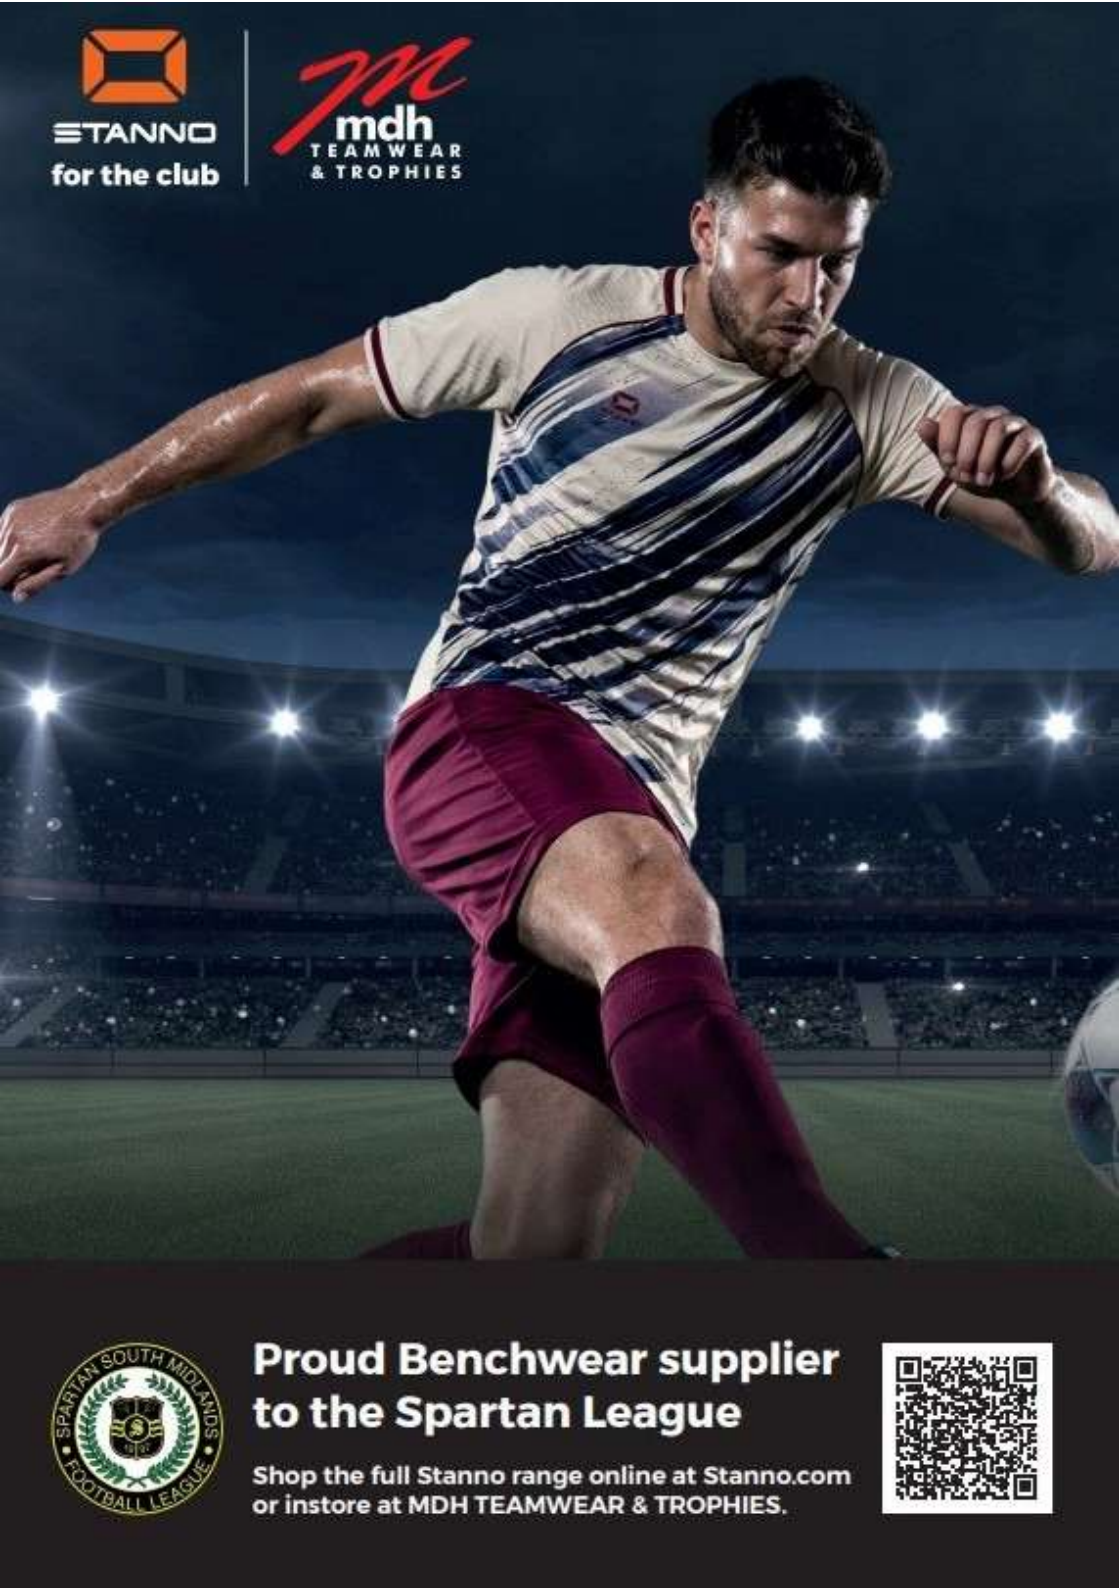

We also pride ourselves on the high quality timber and garden products, that we supply at competitive prices. Due to the right pricing and quality of products, we have been able to evolve the business over the years, so that both the product range and services have considerably increased.

All products can be delivered to your home, with excellent levels of customer service by our dedicated team. Our reputation has been established through our family run business, where each person is regarded as more than just a customer.

Today, the next generation are coming through, with Edward's children, Rachel and Emily supporting the business in both sales, accounts and marketing respectively.

We supply to many areas including Banbury, Rugby, Northampton, Coventry, Daventry, Milton Keynes, Stratford-Upon-Avon, Warwick and surrounding areas.

At our Woodford branch, we manufacture all gates, both standard stock and bespoke sizing. The quality of the raw materials and workmanship that go into making all of our gates have gained a brilliant reputation within the local area and beyond.
